

Blended Learning Programmes

Arena4management offers both accredited (ILM & OCR) and non accredited learning solutions for today's busy manager. Our learning delivery through our HRD Online system provides a unique method and is the only product approved by the ILM.

Quite simply we provide the most cost effective and flexible way for managers and leaders to learn and qualify.

With our programmes:

- Learner access to **400+ Business** related courses anytime, anywhere.
- We cater for the **individuals** and groups of learners
- **Instant access** and start up
- Learners can set their own pace and accomplish as much learning as they need
- **Expert** coaching and facilitation and workshop to support development if required
- Full **assessment** and e-portfolio creation.
- Individual unit assessment if required
- 360 assessment tool to provide a quantifiable measure of training.
- Bite sized learning '**pushed**' to learners
- Goal Setting and Action Planning features
- **Very cost effective** method of learning
- Potential **funding** available to support learners
- Less travel and business disruption for today's busy manager

The HRD Online system is **unique** in its coverage – it is the **only** online learning system that has: ILM product approval with customizable ILM/NVQ qualifications, IMQ qualifications, Business Development programmes, a growing portfolio of Master Classes, 400+ online courses, a portfolio of generic Organisational Surveys and Assessment eportfolios covering 360 performance appraisal, and VRQ's.
